HARTLEY WINTNEY FC HISTORY

Hartley Wintney Football Club History

Hartley Wintney Football Club was founded in the North Hampshire village of Hartley Wintney in 1897 and played in an area adjacent to the village's golf and cricket clubs, the facilities not quite being up to today's standard, with only a horse trough or the pond to remove the heavy mud from a sub-standard pitch. The Club's nickname of 'The Row' comes from 'Hartley Row', a former hamlet within Hartley Wintney. In 1953, the club moved to its present ground in Green Lane, known as 'The Memorial Ground'. A pavilion was erected and the team played in the Basingstoke League and, later, in the Aldershot League.

In 1973, an influx of players under new manager Glynn Howell put the club firmly on the local football map. In his six year reign, the team won the Aldershot Senior League three times in succession, and the Aldershot Senior Cup.

After several seasons in the Aldershot Senior League, Hartley were admitted to the Combined Counties League (previously Surrey Senior League). After the first couple of seasons and two changes of management, the club appointed Ian Bedford, and once again an influx of senior players brought Hartley success. Within his three years in management, they gained trophies including the League Title (1982-1983) and Runners Up (1981-1982), Aldershot Senior Cup Winners (1980-1981), and George Allen Cup Winners (1981-1982). They were also Runners Up in the League Cup (1982-1983) and Aldershot Senior Cup (1981-1982).

The club gained promotion from Division One of the Combined Counties League in 2007-08 under manager Mike Scott, but 08-09 began poorly and, despite a change of management, the season ended in relegation by a narrow margin. Under the management team of Pete Gray and John Condon, the first team rallied in 09-10, finishing 5th in CCL Div. 1, and 7th in season 10-11 under manager Louis King after Pete Gray had stepped down for family reasons.

The 2011-12 season under manager Neville Roach, Assistant Mick Wollen and Coach Scott Tarr was a notable one for the club as they again achieved promotion to the Combined Counties League Premier Division, as well as having a fine FA Cup run that took them to the Third Qualifying Round. However, end-of-season celebrations were dampened when the coaching staff left to join Thatcham Town. The entire squad bar two players departed, so new manager Dave Tuttle was faced with the task of rebuilding a squad competitive enough for the CCL Premier. A string of poor results led to a second change in management in less than 4 months, with 24 year-old ex-Hartley player, Ben Dillon, given his first managerial position already deep into the 2012-13 season.

Once again there was an almost total outflow of players from Tuttle's squad, and Ben, with assistants Jason Minton and Joe Lawler, set about rebuilding the squad, but by this time with Hartley set well adrift at the bottom of the table. The introduction of a talented group of players restored the spirit around the club, and in what became known as the club's 'Great Escape' season, Hartley Wintney's place in the CCL Premier was secured against all the odds after a truly remarkable second half of the season.

HARTLEY WINTNEY FC HISTORY

Ben further strengthened the squad for 2013-14, with Steve Saunders and player/coach Dan Brownlie brought in to the coaching setup alongside Jason and Joe. The season started well and there were notable wins in the FA Cup on a run that took the club to the 4th Qualifying Round for the first time in its history. The cup run took its toll on league form but the club finished a creditable 7th in the Premier Division.

After a comfortable 9th place finish in 2014-15, Ben Dillon stepped down and Dan Brownlie and Anthony Millerick were appointed Joint First Team Managers, alongside coaches Joe Lawler and Luke Tuffs. With strong additions to the playing squad, it was an eventful 2015-16 season. After a memorable 1-0 win away at Southern League Merthyr Town in the 2nd Qualifying Round of the FA Cup, Hartley took Conference South Eastbourne Borough to the wire, losing out to an injury time winner. In the FA Vase, a longstanding club record was broken by reaching the 5th Round Proper played in front of a sell-out 1,300 at Green Lane against the eventual finalists, Hereford FC. And despite the cup commitments, the club topped the CCL Premier Division for most of the season and claimed the 2015-16 league title. Promotion, however, was denied due to ground grading issues.

Faced with huge challenges on and off the pitch - to achieve back-to-back title wins and put in place the necessary ground improvements to take advantage of any second opportunity for promotion - the 2016-17 season was perhaps the club's best yet, topping the Combined Counties League Premier Division for the entire season, reaching the semi-finals of the Hampshire senior county cup and the final of the Aldershot Senior Cup, and securing the required ground grading to allow the club to take its place in The Evo-Stik (Southern) League South; the first time in its history that the club has made it to Step 4 of the English football pyramid.

To top off a wonderful 2016-17 season, our young Youth team won the Hampshire FA Youth Midweek Floodlit Cup, winning on penalties against a strong Aldershot Town U18.

Hartley Wintney FC has come a long way, from 'village side' in every sense of the term, to today's 7 days a week modern football club. The football club has established a clear line of progression for young players with the establishment of an U18 Youth setup, currently playing in the Allied Counties Youth League, a Reserve team playing in the Suburban League, and an A Team playing in the Aldershot & District Football League.

EVO STIK SOUTH, EAST DIVISION
Hartley Wintney
v
Thame United
Kick Off: 7.30pm

Good evening ladies and gentlemen and welcome to the Memorial Ground Hartley Wintney for this Evo-Stik South, East Division league clash against Thame United. To all their players, officials and supporters we extend a warm welcome and hope you enjoy your short stay with us here at Hartley Wintney.

The two sides met as recently as 30 January when Hartley ran out 3-0 winners. Our goals that evening were scored by Liam Eagle, Jake Baxter and a penalty from Dean Stow.

Our visitors at the time of writing are currently eleventh in the league with 45 points from 28 games. A look at their recent results only emphasises the size of our task this evening

Thame United current form:

13 Jan	H HAYES & YEADING	lost	1-0
27 Jan	H AYLESBURY	won	2-0
30 Jan	H HARTLEY W	lost	3-0
03 Feb	a Beaconsfield	won	1-0
17 Feb	a Bedford Town	lost	1-0
24 Feb	H CAMBRIDGE CITY	won	1-0

On Saturday the first team were well beaten at Chalfont St. Peter in what can only be

described as a lacklustre performance. Our goal was scored by Ty Smith who's floated free kick deceived the home keeper to give us a glimmer of hope. That said CSP's profligacy in front of goal certainly spared us from what could have been a heavy defeat.

Elsewhere the Reserves recorded a 3-1 win against Dunstable Town with goals from Gracious Musonda (2) and Jayson Dalton (1) The A Team continued their winning ways with a 4 nil win over Normandy Spartans. The goals being scored by Sean Hayes, Jack Dansie, Tommy Flanders and Brad Nicholson.

On the Sunday team front Row United Vets are in the final of the Hampshire Veterans Sunday Cup which will be played here at the Memorial Ground on Thursday 22 March with a 7.30 kick off. Please put the date in your diary. Row Vets 1st XI are also in a final ,date to be confirmed, having won 5-1 on Sunday with goals from Noakes (3) Millerick (1) and Sills (1)

Please get behind the team tonight as we look to keep up our push for the play offs.

MANAGEMENT POST MATCH MUSINGS

After the Marlow game, first team joint manager, Anthony Millerick, gave his thoughts on the win.

"The conditions were difficult for both teams with the swirling wind. I felt we shaded the first half and deserved to be ahead, and our three goals were all good and well taken by Jake Baxter, Rowan Vine and Adam. Everiss.

"I felt we were disappointing for 15 minutes after the sending off," Millers added. "The dismissal seemed to affect us more than Marlow. But after all said and done, it was a comprehensive win over a very difficult team to play against."

Post Chalfont: David asked Hartley's Dan Brownlie and Anthony Millerick for their takes on the game, and both were bitingly

honest.

"We just did not show up!" Dan began. "We started very poorly and never really got going. We had very few efforts which troubled their keeper; in a nutshell, the performance today was not good enough."

Millers was no less blunt about the performance. "Chalfont had seven or eight players better than their counterparts in our team. With those odds on the day you will not win many matches," he said. "The score sums up the match and it was a fair reflection of the game. We started on the back foot and did not adapt in the match at all well. All in all very disappointing."

WHAT THE PAPERS SAY: CHALFONT ST. PETER

Hartley Wintney saw their six match winning run come to an end at Chalfont St. Peter. The Saints dominated proceedings throughout and, but for some wayward finishing, could have registered a resounding win.

Within the first minute, Chalfont's Victor Osobu managed to get behind a square Row back line, and Paul Strudley in the Hartley goal just managed to save with his feet.

The home side pressed continuously and, just a minute later, a corner from Louis Stead found the head of Frankie Jones, who headed past the post from 10 yards. Three minutes later, Jake Cass managed to get through after some hesitant defending but shot wide.

The opening goal was not long delayed. On 7 minutes, Louis Stead set Victor Osobu free within the penalty box. Osobu's accurate cross was side footed home by Jake Cass. (1-0)

On 18 minutes the Row fashioned a chance following a good break down the left by Adam Everiss. The winger's cross was fired over by Josh Webb.

On 21 minutes the Saints increased their lead when Hartley were unable to clear a corner from Louis Stead. Alan Hedley scored with a shot from the edge of the box. (2-0)

The home side had further chances to increase their lead, with the best coming on 28 minutes. Jake Cass gained possession in the Hartley half and set-up Mahlondo Martin, who shot straight at Paul Strudley. However it was Hartley who scored the next goal. A free kick on the half way line was struck towards the Saints goal by Tyron Smith and the flight deceived 'keeper

Carl Dennison, with the ball finishing up in the net.

On 40 minutes Hartley put together a fluent move which saw Paul Hodges and Jake Baxter combine to set-up Rowan Vine, but he was unable to convert.

Hartley came into the game more in the second period but it was the home side which looked the more likely to add to the scoreline with fast breaks from defence.

On 66 minutes, Osobu got behind the Row defence following a break away but shot wide when well positioned. Then four minutes later, Frankie Jones was set-up by Louis Stead but fired wide.

On 72 minutes the Saints added a merited third goal. Good possession saw the home side work the ball from the right and fashion a chance for Mahlondo Martin. The midfielder took aim from 25 yards and his shot found the corner of the net. (3-1)

The introduction of substitute Jack French saw an improvement in midfield and the Row pressed for the remainder of the game. On 82 minutes, Rowan Vine and Jake Baxter combined well, for the latter to bring out a good save from Carl Dennison. Five minutes later, a cross from the left by Vine was almost converted at the back post by Jack Ball.

Chalfont St. Peter missed several gilt edged chances and on 90 minutes Jake Cass blazed a good chance over the bar when well placed.

Probably the Row's poorest performance of the season and they will be looking for some 'bouncebackability' for the next scheduled match. [D Graham]

WHAT CHALFONT SAID

Saints made an important return to winning ways with a comprehensive win over form side Hartley Wintney.

Arriving on the back of six straight wins, Hartley could easily have been three behind in the first ten minutes as Saints started strongly. Almost straight from the kick off, Victor Osobu ran through on goal only to be denied by some sharp keeping. Frankie Jones might have done better, arriving late to head a corner wide. As so often, this season, it was **Jake Cass** who got the important opening goal with a superb strike from a Mahlondo Martin cross from the left.

With the visitors still struggling, saints were always the most likely to find the net again and so it proved from a corner that Hartley failed to clear before it fell to **Alan Hedley** on the edge of the area and his shot rifled low into the bottom corner.

By now, Saints were in almost total control so when the visitors pulled a goal back it was very much against the run of play. A free kick by **Tyron Smith** from the halfway

line was misjudged by Carl Dennison and the ball evaded his reach and fell directly into the goal.

Dennison saved further blushes with a smart stop from the experienced Rowan Vine just before the break.

Hartley began to show up after the break, with Paul Hodges leading the way with a busy performance but Saints were able to put the game out of reach with an excellently worked third. A free kick was passed through several players before falling to **Ryan Haugh** who drove in from distance, Strudley seeming to misjudge its accuracy.

Jake Cass might have added a fourth after a strong run but his shot flew narrowly wide. Dennison made an excellent point blank save from Baxter at the end to confirm Saints' superiority.

Next weekend Saints take on another rival for a play off spot as they travel to Cambridge City. Weather permitting.

WHAT THE FANS SAY: CHALFONT ST. PETER

This game was a reality check for the boys after all the hype recently about how far we can advance this season, although tempered by the fact that bizarrely all four teams at the top of the league lost. We were well and truly outclassed in all departments by a well disciplined Chalfont outfit who were unbeatable in the air, who dominated midfield, and created enough chances to have won by a hatful of goals (six or seven would not have looked out of place) poor finishing was their only downfall. We started off badly by sloppily gifting them a couple of early goals when we were all at sea defensively and in midfield which put us on the backfoot, and though we pulled a goal back when their goalie allowed a speculative free kick to sail over his head, instead of then taking control, as we usually do in those situations, we never got a hold on the game and never produced enough passes together to create opportu-

nities and the ascendance and domination was soon back on the home side who ran out comfortable winners.

This performance does not suddenly make us a bad team, there must be a reason why we have taken 27 points out of the last 30, and just to put it in context Rushden lost to Egham today after collecting 28 out of the last 30, who we thumped seven passed them a couple of weeks ago!!! I expect they are as bewildered as we are. Its a funny old game.

The management somehow has to rejuvenate the squad (and I am sure they will) for the game against Thame on Tuesday (snow permitting) and us supporters as always whatever the situation will be behind the lads and hopefully they can reverse today's performance and fight tooth and nail to take three points.

COME ON UP THE ROW. VINTY

Certainly a reality check. Maybe I added to 'the hype' Vinty mentions when I congratulated them after Marlow, but the boys have done terrifically well overall this season and, knowing how fleeting success can be, it's right to occasionally acknowledge it mid-season. Did that make the boys a little complacent?

I couldn't be at the game, so I can't comment on the performance, but Chalfont are doing very well themselves and gave us a tough game in the 1-1 home draw, so I don't think it's a huge surprise we got well beaten if we were not at our best -

and it sounds like we were a long way from our best. Every player now needs to look at what they failed to contribute and put that right, and we simply need to learn lessons from it because it may not be the last time we play Chalfont St Peter in the league this season.

THAME UNITED HISTORY

Thame United were formed in 1883 making it one of Oxfordshires' oldest clubs.

The early years were spent in various Oxfordshire Leagues and in 1906, 1909 and 1910 Thame won the Oxfordshire Senior Cup and the Senior League in 1907,1908, 1910, 1930 and 1931.

A switch to the Hellenic League then brought further success culminating in the Hellenic League title in 1961-62 and 1969-70, as well as being runners up in 1960-61, 1976-77 and 1980-81.

The Oxfordshire Senior Cup was won in both 1976 and 1981 but a poor spell in the mid eighties preceded a crossing of the pyramid in 1988-89 to join the South Midlands League. The Club finished runners up in both 1988-89 and 1989-90 before eventually winning the title in 1990-91.

Thame received the green light to join the Diadora League in 1991/92. 1994-95 saw the Club win the Division 2 Championship with 93 points - an 11 point margin. In 1995/96 the Club reached the 3rd Round Qualifying in the FA Cup and the FA Trophy. In the league we finished a creditable 13th in our first ever season in the Isthmian League Division One. Andy Sinnott was appointed first team manager in June 1997 and, with a dramatically reduced operating budget, the side were relegated into Ryman Division Two. The Club bounced straight back into Ryman Division One and reached the semi-finals of the FA Vase. 1999/2000 saw the Club come within two points of achieving promotion to the Premier Division.

2000/2001 season the team lead the way for most of the season, putting together a club record of 12 consecutive league wins but a slump in form in the latter part of the season resulted in a 5th place finish.

A mid-table finish followed in 2001/2002 season but the Oxfordshire Senior Cup was retained. Mark West was appointed player/manager when Andy left United during the Summer of 2003.

In October 2003 the Club reached the 4th qualifying round of the FA Cup for the first time in its history, before being beaten 1-2 by Conference side Farnborough Town.

After a mid-table finish the Club moved to the newly formed Southern League, Division 1 West. In October 2004 the Club again reached the FA Cup 4th qualifying round and finished the season 11th in the league. Mark West left to join Slough Town and defender Tony Joyce was appointed player / manager.

By July 2005 the Club were in financial trouble and, following a visit from Bailiffs acting on behalf of HMRC, the landlord enforced a clause in the tenancy agreement and evicted the club from Windmill Road. However, shortly thereafter Thame United reached a formal agreement with the new owners of Windmill Road that secured £1.7 million to enable a new facility to be constructed in the town and, after several options had been explored and found to be available, settled on Church Farm on the northern edge of the town.

THAME UNITED HISTORY

Whilst the Club progressed procurement of the new site, and the necessary planning permission, a ground share agreement was reached with neighbours Aylesbury United and, with the side struggling at the foot of the Southern League Division 1 West, Tony Joyce resigned in December 2005, with a new joint managerial partnership of Richard Searl and Alan Thorne appointed. Relegation to the Hellenic League was confirmed later in the season.

A ground share agreement was reached with AFC Wallingford for the 2006/07 season. Mark West returned to the Club midway through the season but could not save the Club from relegation to the Hellenic League Division 1 East.

The 2007/08 season provided greater stability for the Club, with Mark West and new assistant, Frank Thompson, looking after first team affairs. A mid-table finish resulted, which was followed by a ninth placed finish in 2008/09.

2009/10 saw the Club win the Division 1 East title by six points and reclaim their place in the Premier Division.

The 2010/11 season was the most significant in the Club's recent history.

With work on a new £3.1m ground at Meadow View Park commencing in March 2010, United returned to Thame at the ASM Stadium on 11 December 2010, just over five years after their enforced eviction from the town.

Boasting eight pitches, a floodlit 3G train-

ing pitch and 8000sqft clubhouse, United now have one of the best sporting facilities in the County. The official opening against Oxford United on 18th January 2011 set a record crowd of 1,382.

Season 2016-17 was one of the most successful in the recent history of the Club. Going the whole league season without losing at home, United were crowned Hellenic League Premier Division Champions on the final day of the season, defeating Henley Town 9-0 to over-turn a seven goal deficit.

United were duly promoted to the Evo-Stik Southern Football League, returning after a spell of twelve years away.

South, East Round-Up

It was a strange Saturday in the Evo-Stik League South East with the top four at the start of play all losing! Indeed, only AFC Dunstable and Chalfont St Peter managed to win in the top six.

Leaders AFC Rushden & Diamonds suffered defeat for the first time in twenty league and cup games as they went down 2-1 at the Runnymede Stadium to an Egham Town side who hadn't won in nine! An Ashley Lodge goal after 20 minutes gave the Sarnies a lead that Joel Gyasi cancelled out in the 40th minute. But Egham were only on level terms for 2 minutes as Michael Kalu restored their lead – and it was one they held.

Second-placed Beaconsfield Town were beaten by the odd goal in seven by Diamonds' neighbours Kempston Rovers at Hillgrounds. Robbie Goodman netted a hat-trick for the Walnut Boys, with Tre Mitford and Callum Webb reducing the deficit to one. Ben Shepherd made it 4-2 in the 78th minute, and Kempston survived, despite an 86th minute third from Luke Neville.

Hartley Wintney went down 3-1 at sixth-placed Chalfont, whose Jake Cass gave them an early 8th minute lead. Alan Hedley added a second after 23 minutes and after Tyron Smith had reduced the deficit 9 minutes later, a Ryan Haugh goal 18 minutes from time settled the points in the Saints favour.

Hayes & Yeading United were the other top six side to lose as they lost 2-1 at

home to Ashford Town (Middx). Goals in the opening 7 minutes from James Cottee and Romario Jonas stunned the hosts, whose Manny Duku replied after 21 minutes.

AFC Dunstable moved above Hayes & Yeading after beating Uxbridge 2-1 at Creasey Park with a Terry Griffiths brace on 33 and 70 minutes sandwiched by a 62nd minute Dylan Kearney reply. Seventh-placed Cambridge City also lost, 1-0 at Thame United, whose Dan West scored the only goal after 16 minutes.

Early season leaders Moneyfields are now back to within a couple of points of Cambridge in eighth after they won 2-0 at struggling Aylesbury FC with goals from Steve Hutchings after 43 minutes and a late Howard Neighbour effort. Bottom side Arlesey Town are looking like needing snookers to avoid the drop after losing 2-0 at home to Aylesbury United, whose Sonny French bagged a brace in the 27th and 38th minutes. It didn't help Arlesey's cause that second-bottom Barton Rovers found some form to beat Marlow 4-0 at Sharpshoe Road with goals from Robbie Parsons in the first half and Andrew Phillips, Ben Sawyer and Danny Jarvis in the second. Third-bottom Fleet Town shared a 0-0 draw at Calthorpe Park with fourth-bottom Hanwell Town. And in the day's other game, Bedford Town won 2-1 at Chestnut Avenue against Northwood with Steve Gentle's 55th minute opener for the Eagles being cancelled out by Mesach Williams in the 86th minute, only for veteran striker Paul Benson to win it for the visitors 4 minutes into stoppage time.

South, West Round-Up

The gap between Evo-Stik League South West leaders Taunton Town and second-placed Salisbury FC was reduced to eleven points on Saturday.

The Peacocks were held to a 1-1 draw at North Leigh, while the Whites saw off bottom side Bishops Cleeve 3-1 in Gloucestershire.

Craig Veal's 15th minute opener for Taunton was cancelled out by Declan Shepperd 11 minutes into the second half.

An upset was on the cards for a while at Cleeve as they led through Ieuan Crowe's 31st minute effort until the hour-mark when Owen Howe equalised.

George Colson made it 2-1 from the penalty spot in the 67th minute and Cleeve's brave effort was finished by a second for Howe 6 minutes from time.

The only other side to win in the top seven on Saturday were Evesham United, who are now third, after they edged fifth-placed Bristol Manor Farm 1-0 at home, thanks to an early 8th minute Carl Brown goal.

Didcot Town moved above Manor Farm but could only draw 2-2 at mid-table Yate Town, who led through Adam Price and Steve Davies' penalty at the break.

George Leacock replied from the spot 8 minutes after half-time and then Callum McNish equalised in the 57th minute.

Wimborne Town are sixth and Winchester

City seventh, level on 50 points, but both held to 1-1 draws on Saturday.

The Magpies at Cinderford Town, whose Richard Greaves gave them an early 8th minute lead that Luke Burbidge levelled after 63 minutes, while City couldn't beat second-bottom Barnstaple Town at home, with Pat Cox's 55th minute penalty being cancelled out by Barum's Alex Gray just past the hour-mark.

Swindon Supermarine moved to within a point of the two above them after hammering Shortwood United 5-1 at the WebbsWood.

Callum Parsons and Brad Hooper both bagged braces for Marine with Joe Selman adding the other – Jack Freeman netting a stoppage time consolation.

Third-bottom Slimbridge lost 2-0 at home to Mangotsfield United, whose Kyle Tooze and Kane Simpson notched in either half, while Conor McDonagh netted a hat-trick as Kidlington won 4-0 at Bideford AFC – Mark Janes added the other.

Larkhall Athletic led Cirencester Town 3-1 at home with 2 minutes to go but were pegged back to 3-3.

After Ben Whitehead's 21st minute penalty gave Ciren the lead, Joe Tumelty and a Matt Britton brace turned the game in the Larks favour.

But Will Christopher and Alan Griffin snatched late goals for the visitors.

CLUB NEWS

THE ROW 100 CLUB

Are you signed up to the Hartley Wintney FC100 Club? This is a monthly draw which takes place on the last Friday of every of every month. The draw takes place at 7pm. There are now three prizes. The first prize is £100 and the second is £25. These are paid regardless of whether you are at the club when the draw is made. We have now introduced a third prize also of £25. The difference here is that you have to be at the Club when the draw is made to win the prize. The winning person was not in attendance at the last draw and therefore the prize rolls over to the next draw when the 3rd place prize will be £75. However you have to a) be in the draw to stand a chance of winning and b) you must be at the Club when the draw is made if you want to claim 3rd prize. Ask at the bar about signing up.

MEMBERSHIP: HAVE YOU RENEWED YET ???

As agreed at the AGM, we are changing the month when the HWFC member subscriptions start, so that the full year subs will start in July to coincide with the football season. In the transition, a 6-month membership will apply running from January till 30th June 2018, then full subs from 1st July 2018 to 30th June 2019. Current members please continue to use the 2017 Gold Cards during the first half of 2018.

6-month single membership from 1st Jan 2018: £7.50

6-month family membership: £10.00

6-month membership for those 65 and over: £2.50

Subscription payments can be made at the bar. You can also pay online (via BACS); our treasurer, Colin Charlton, will provide details if you contact Colin via the contact form on the club website (your message will be forwarded to him).
